Hello, I'm

Amberlie

Frontend Engineer
React & UI

I build clean, responsive, and scalable web applications using React, Next.js, and modern frontend architecture. I focus on thoughtful UI, performance, and creating user experiences that feel intuitive and fast.

About Me

I am a full stack web developer with a passion for creating interactive and responsive web applications. I have experience working with JavaScript, React, Redux, Node.js, Express, PostgreSQL, HTML, CSS, and Git. I am a quick learner and I am always looking to expand my knowledge and skill set. I am a team player and I am excited to work with others to create amazing applications.
